Dear Poulfert Ltd,

SPREADMARK COMPANY REGISTRATION CERTIFICATE

Congratulations on achieving the renewal of your Spreadmark Company Registration.

Attached is your Spreadmark Company Registration certificate. Please keep it in a safe place.

Federated Farmers and the Fertiliser Quality Council will be prompting the Spreadmark programme directly to farmers and growers with message like :

"Get best value for your fertilizer dollar. Choose a Spreadmark registered Company"

We publish lists of fertiliser spreading companies that hold a current Spreadmark company registration Certificate.

We hope in this way to maximize your return on the investment that you have made in Spreadmark

Regards,
